

PROFILE

I am a web developer and designer with over two years of experience in creating websites that are attractive, functional, and optimized for various devices and browsers.

I have proficiency in HTML, CSS, JavaScript, Bootstrap as well as graphics design skills. I am seeking a challenging position where I can apply my knowledge and creativity to deliver high-quality web solutions that meet the needs and expectations of clients and users.

I am eager to learn new technologies and enhance my skills as a web developer.
